

2020 JUNIOR GOLF SCHOOL REGISTRATION

The VNCC Junior Golf Schools are a great way to get your aspiring golfer all the knowledge and confidence to transition from the practice facility to the golf course. Our PGA Professionals utilize the Operation 36 development model, which encourages participants to play golf, train skills and track progress with the Operation 36 app. All abilities are welcome.

Mastering the Operation 36 Model:

Golfers Play 9 Holes From Division 1 (25 Yards)

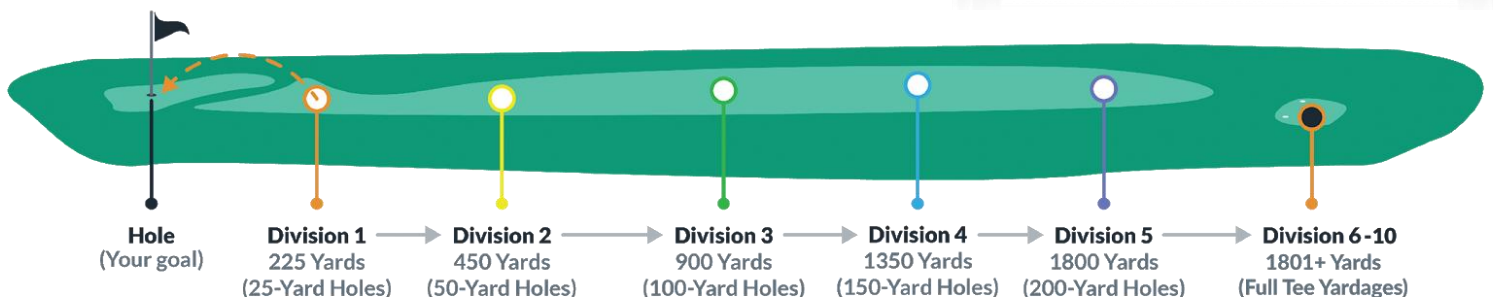

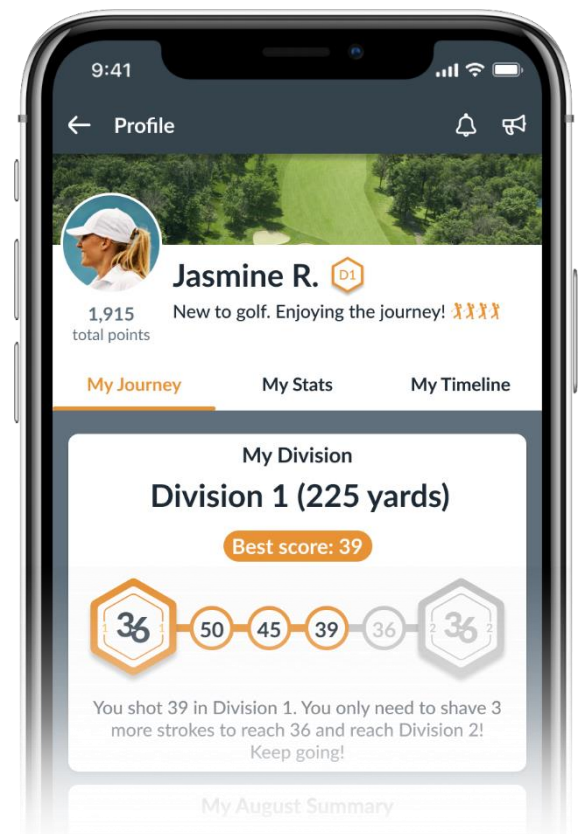

Instead of starting at the full tee box, all golfers begin in Division 1 and will play 9 holes starting 25 yards from each green.

Shoot par (36) or better to pass Division

If they shoot par (36) or better, the golfer progresses to Division 2, where they start 50 yards from each green.

Complete the Division 10 challenge

This challenge continues until the golfer can shoot par (36) from all 10 divisions!
